Membership Report - Tuesday, 8 February 2011

MEMBERSHIP

The total membership is 106. This is an increase of one since last month when as mentioned at the meeting the membership list published by Cowley Street was not up to date and I had been unable to determine who was missing.

The new member is Dr Andrew Markwick of New Mills.

I attach list of all members as of 8 February 2011. I would be grateful if you could check the details and update your circulation lists

WEBSITE

The newly designed website is almost fully operational and we are having over 40 visitors a day. Prater Raines, our service providers, hope to be able to provide a full email service in the next few weeks. I am listing meetings under "Forthcoming Events" and these are also shown on the home page. Until the full service is available I am notifying members from my own email.

Members are required to log in to download documents with restricted circulation. This can now be done as follows:

1. Open the website at <http://www.highpeaklibdems.org.uk/>
2. At the bottom of the home page open the link "My Account"
3. Enter your email address in the top box, the code letters in the second box and your password if you know it in the bottom box.
4. When you have signed in it would help if you could update your data and in particular enter your membership number.

If you have difficulty getting on to any part of the redesigned website please phone me at 01433 631051 or 07740 919912.
